The President's Message communicated to the were ordered to be printed

-PROCEELINGS OF CONGRESS

In the benate, on Wednesday, a veral Anti-Texan petitions were presented. The bill relatree to the deposite of public money was taken up, and Mr. Wilker addressed the Schate in opposition to a National Bank, and in discussion of several other topics Mr Hubbard, Mr Mor riss, and Mr. benton offered amendments. Mr. Crutenden then addressed the Senate in oppoattion to the bill and in defence of the policy of

In the House of Representatives on Wednesday, Mr Biddle moved the suspension of the rules to enable him to offer a resolution relative to the mode of paying members of Congress The House refused yeas 85, mays 10) Om motion of Mr. Thomas, the Judicity Commit what laws are necessary for reviving any laws which may expire belove the next session. Mr. Mallory offered a resolution for an inquiry relative to the delay of the exploring squatton, who resolution declaring it inexpedient to establish a National Bank was postponed to Friday, at the copper plates, sawing, planing, mortising, mik suggestion of Mr. Sergeant, whose indisposition disenabled nun from continuing his remarks

The report of the Communities in Chesti in Ga the case of Messrs Gnolson and C.aborne from Mississippi, was taken up, and Mr. Maury made some ramark against the report. He effered an adjendinent, to the purhort that the two members are not constitutionally entitled to their seats He was followed by Mr Pennyhacker, who advo cated the acceptance of the report

The flouse proceeded to take up the bill for duestion being on passing it to be engrossed on. Next we have steam appiratus for warning the bill. When the express mail was closed, the debate was still needed. debate was still pending

WASHINGTON Sept 27 of Oct shor, the day fixed by the Estinte

it will pass to night without amendment, and it hainmers, la, it I diwn the law with gestures Note bill, and the duty bond postponement bill, presses, types stereotype plates, wind mills and the French Government there will be little hearting, and I have no a host of models of steam boners locomotives, doubt but the Administration even will then be and machinery, fin thorm and indescribable very willing to get rid of further discussion by Passing to the other division of the hall, we Secretary of the American and the further discussion by Passing to the other division of the hall, we

poned till Friday next [Correspondence Jour Commerce

From the Charleston Patriot LATEST FROM FLORIDA

By the steam packet Charleston, Capt Bon nell, arrived this forenoon from Black Creek, we have received the Jacksonville Courier of Ld in this divis on are less brilliant of hue than the 19th mat from which we have copied the those which crowd the opposite building, and do following, which is the only intelligence it con-

General Jessup arrived at Black Creek on the 18th inst and left for St Augustine on the

Anskinehaw, and Billy Hicks, at Fort King, on the 19th and 20th ult. The former-represented blankif, as being envoy extraordinary, etc from Micannpy, Jumper, Alligator, and others, of that beligerent mass, made professions of beat titul stained glass, cut glass nare Acc which friendship, and as being determined to fight no had a dazzling effect in the bright sunlight of more, but adhering to the treaty to move West' yesterday. The steps on the north tide of the The General named the first of October, as the hall are occupied mostly with manufactures of a chief rose and replied "Tell our Great Fath Han for them to be at Fort Brooke to embark, woollen such as fine broadcloth, coatings, and by thought the time too short, but promised simeres, flannels, baize, &c of uncommon fine to communicate with the Chiefs immediately, ness and beauty. Some next suits of clothing a result of this conference they further from the Buston tailors here attract the nouce from Fort Brooks and Micanopy to be returned The eye is next and to commit to farther depreditions.

They state the Micseukeys, headed by "Abi (Auft Jew a) as still being for war, but that over to the peace party. The officers generally d' trust all these professions, and magne that

w PAGION MECHANICS FAIR

The following notice of We Exhibition which in name ar at Boston vi contained in the Con rier of Wednesday. The manner in which it has been gotten up reflects the highest honor on the public spirit or our sister city, and holds out an example worthy of allumitation elsewhere. in order to do away with all uneasiness on Fhe articles exhibited, it will be recollected, oc-

throng of visiters continues to be immense, and

be given in detail - jects that strike the spectators cyclic be given in detail - jests that strike the spectators cyclic at The vote in York was for Parks 4035, for view, his as we temprised jests rday, quite at bigarre effect, and we imagine the sight of so bigarre effect, and we imagine the sight of so bigarre effect. many comfortable articles of household furni The vote in this county was reported 3892 for ture, and nine little items that go to make up a domestic (sudblishin nt, must suggest to single gentlemen and why should we n t add single lates too the ider of going to har ekceoing, for what can they want, that is not to be found here. They may begin with their wedding House on Tuesday, was in answer to the call cake, for here is a thun ping lost weighing no made for information in relation to the North less thin 600 pounds, not to mention a plain white roff as ting as a back-log and a genuine Yunkee rice and Indian bonnear. I the size of a ment has not yet transpired 5000 extra copies respectable bomb shell. For a wedding suit, we think the man, or the woman either, who goes the turther than Taneut Hill just now, would be a mile tikely to fare worse Silk, sain, linen, muslin, tow choth broadelolli, flannel culico, hats, bonners, hose, glaces, stocks, dicheye, and starch to staffen them with soft bede, and comfortable bed quilts to cover them, carpits, curtains, toys for the children, and new brooms to sweep every thing clean, these and thousands of other de smable commodities fre courting the gize of the by a scrutinizing examination

We shall not, of course, attempt any thing like a regular citatogue of the objects but we will endeav is to specify cursorily a me of the most remarkable. To begin with the machinery and the more useful articles in Quincy Hill. The speciator, on entering the hall from the bridge, is first struck with the operation of a steam-en very sitistactory manner, the effect of the great wonder working power of hot water Next we ! behold a great variety of fire engines, forcing numps, and similar enginery Then follow mac mes for diessing staves, crimping, punching ing window-sashes, weaving stockings, silk spinging, typiting cord-shelling corn, grannin ing, threshing, flammering granite, cutting out shoes, shovefling snow (very queer Things, and real lanker, of course,) quilting studing cards, zic elc elc etc

As for wasting machines we give it up en tirely No people on the face of the carth coght to be half as clean as we washing machines kitchens tea metiles and a countless variety of by a roy is alute from every armed vessely about tives of New Zeiland were employed who have could not help teeling somewhat of that radjourness by the could not help teeling somewhat of that radjourness by the sound well be endured for the officers, riving differently and as directly as sound well be endured for the officers, and but arously the hinds. strong desire which it is and, also as heart adjusted as the second well be endured murdering two of the hinds, and but arously the great Applican, namely, the desire to cock of the operation the contract of the operation the operation the contract of the operation that the operation the contract of the operation the operation that the operation the operation that the operation that the operation the operation that the operation that the operation that the operation the operation that The days of this sessi n are numbered little great Napoleon, namely, the desire to cock The days of this sessi in are numbered. I the great supplied in numbers, the open cureyes of the operation, the occupants of the section that they will adjourn on he ninth every man s dinner. Then we open cureyes of the operation, the occupants of the section that they will adjourn on he ninth every man s dinner. Then we open cureyes of this at experienced unfleighted distinct the inight experienced unfleighted distinct the inight experienced unfleighted distinct the inight experienced unfleighted. (syuth and see a historine for excepting the The deposite postponement bill was a structh territy or as a vietter from Vermort called it, reported to the Hous without a mendment, and a an everlisting scratcher. Next tolow trip will be a last to m rrow Upon the Treasury most emphate, damask power ly ma printing wents in America are attracting the attention of his shoulder, the minut the whiel was next

a hasty retreat from the Capitol. The more encounter some fine specimens of siddlery har their sub Treasury scheme is considered and nesses, engine hose, and other minutacraies of their sub Trastity scheme is consecuted and preserve, eight hose, and out the first personal prehensions us to its effect upon the public miod, "il designed for capinet furniture. Next, thereare thy concealed by their affected exuitation at the four beautiful briss and iron-cinnon. "Next the adoption of the preposterous resolution a the modelle of a man of war a mast attracts the gainst a National Bank in the Senate yesterday attention of the currious, showing the method doubt whether that resolution will be much by which the several pieces of wood sie formed pressed in the House Unless they can get the to form one great spar. Here are also the mod previous question upon it, they will have to take lels of a dry dock, sleering wheels, ship s blocks with it a declaration that the President's Sub-models of steamboats, railways, &c. A row Treasury scheme is unconstitutional inconsist [boat, belonging to the Tiger club, lies at full ent with the principles of free givernment, and length to attract the gaze of all who are fond of dangerous to the hourtes of the gen, te-On an twater-sporting this criticis exceedingly elegant count of Mr Seargeant's indisposition. the fur and well huished. Next follow a seventy four ther consideration of the resolution was post- and a frigure, perfect models, about six or eight feet in length. And now again for the land ser vice, we have cheese presses horse r kes, book tranmers, printing presses, leather trunks ina chines again for wearing, twisting, turning,

winding, rolling, and what not Such is a general view of the contents of Quincy Hall, and although the articles comprisnot half equal them in extent and variety, get the inspection of these alone will amply repay, directed towards those institutions, and that the visiter for the cost of his ticket. The inachinery alone is worth a day s examination

carpeling, and articles of brilliant dye, the pillars are dressed with counterpanes and hearthrugs wrought with bright hgures, and in the windows are placed the choicest specimens of youterday. The steps on the north side of the

The eye is next attracted by a bright display of polisified cullery, highly finished, saw platee of numerous patterns, augers, chiscle, iron and bronze shives, locks, screws, butts, coach springs, they were not without hope of bringing them sleigh bells, brass wire, gilt buttons of fine drive the Sioux from our hunting grounds, and over to the peace party. The officers generally workmanship, muskets, fowling pieces and rifles to pursue them until they beg for their lives like d' trust all these professions, and magnine that of new invention and very ingentous. We were women, we will pay our Father for his men, as of new invention and very ingenious in particular struck with the rifle of Childs & Amey have all left the vicinity of Fort King Nichols survention, which contains nine charges at once and loads at a breach, by a very simple process Further on we meet with more machines, ploughs, scylhes, axes, shovels, palent

MORISON'S PILLS!!!
F. & I. S. WHIIMAN, Agents, Bangor
HE friends of Hygeranism and the public gen erally, are again cautioned against the imprim ipled attempts of apotheraries and quack doctors o destroy all confidence in these highly valuable and thnost indispensable family medicines, by the cry of mposition | exorbitant prices | falsehood | and more han all, by the astomshing benevolence of the craft numperture to the world their wonderful discovery of the composition of them that a three dollar pack t costs but one shilling that any prison an make hem, etc. Counterfeiters also, beware of the law The British College of Health have recently recov red damages of the makers and venders of a spun ius dangerous article, in the cour's of Massachusetts and New York , and their exclusive right and proper y in the sale, is firmly established and confirmed in

Two hundre ! thousand dollars worth of these sun le and effective medicines are sold annually in the United States, and injury from them is unheard of One cause of the high price they hear, is a hear i export duty paid in England, vet they are incompar thly cheaper than any patent medicines ever offered aving as they do, expensive and protracted his of

the genuine article cannot be bought of apothe aries, travellers or pedlars, they being denied the The only place in this ale throughout the world section where they can be had, is at the store of F & 1 S WHITMAN Bangor, (whose signature is abelled on every packet they sell) where may be egs printed reports of recent trials, cortification of cures etc. Subscriptions received to the Family Adviser and Hygeian Record, a paper published at New York at \$1 per annum

the a very large and well selected stock of Wes India Goods and Generales which will he sold a shalerale or retail for Cash or shore approved and t as low as can be bought in Rangor Blore No 7 foot of Main street.
